

Reed Chiropractic

TERMS OF ACCEPTANCE

When a patient seeks chiropractic health care, and when a chiropractor accepts a patient for such care, it is essential that both are seeking and working for the same goals. Chiropractic does NOT diagnose or treat disease. Chiropractic has only one goal:

TO LOCATE, ANALYZE AND CORRECT SPINAL INTERFERENCE IN THE NERVOUS SYSTEM.

The purpose of the nervous system is to control and coordinate all bodily functions. Interference to this master control system causes improper functioning of the body. The **SUBLUXATION** (spinal misalignment producing nerve interference), in and of itself, is a detriment to life and your health. Correction of the subluxation through a specific chiropractic adjustment, allows the body to function at its optimum level. This allows the INNATE healing power of the body to work at maximum efficiency, to restore, maintain and promote natural health.

WE DO NOT DIAGNOSE CONDITION(S) OR DISEASE(S) OTHER THAN
VERTEBRAL SUBLUXATIONS.

WE OFFER NO TREATMENT OF CONDITION(S) OR DISEASE(S) OTHER THAN
VERTEBRAL SUBLUXATIONS.

WE PROMISE NO CURE FROM ANY CONDITION(S) OR DISEASE(S).

THE CHIROPRACTIC ADJUSTMENT RESTORES LIFE AND HEALTH TO ITS
FULLEST POTENTIAL!!!

I, _____, having read the above statement, and understanding it fully, do undertake chiropractic health care on this basis.
